Turkey Information

Farmer: Bates Farm, Risley, Cheshire.

Price: This is always affected by demand around Christmas so unfortunately cannot be guaranteed. However, based upon 2023, £5.75 per lb is a safe guide. Boneless Crown prices are likely to be around £6.50 per lb.

Freshness: All our meats are fresh, directly from their farm to ours, nothing has been frozen.

How big? *Rule of thumb for full birds is 1lb per serving (remember the bird carries weight that you don't eat so don't think "They won't all eat 1lb each!") For boneless crowns the guide is ½ lb per person which is all meat. However, ultimately it depends how hungry all your guests are!

OUT OF HOURS COLLECTION We are offering an out-of-hours collection for meat orders, between 5pm and 7pm on 21st, 22nd, & 23rd. This does not need to be booked, just turn up. The shop will close at 5pm on those days.
